

2021: Stronger Together

Through grantmaking, network formation, leadership development, and educational opportunities, Ausheran Family Foundation has provided \$1,400,000 charitable dollars back into the community.

Community Collaboration Highlights:

- Recommendations of the Downtown Safety and Service Initiative came to fruition in the form of new projects aimed to study transportation barriers and identify essential components of a Downtown Youth Center.
- Increasing awareness of trauma informed care and food insecurity resources with the formation of new networks and supporting websites.
- Addressing shared opportunities and gaps in funding through the release of the first Frederick Funders Data Report.

Our Funding Has Strengthened the Community By:

- Equipping our human service nonprofits with the tools and resources needed to continue overcoming the negative side effects of the pandemic.
- Envisioning what could be possible through comprehensive Streetscape Studies, restoration opportunities, and potential new amenities in downtown parks.
- Organizing peer learning and educational opportunities including the Nonprofit Summit, Equity Training, and Cybersecurity Seminar.
- Investing in the arts through unveiling of new public art installations and stabilization of performing arts programs.
